DID YOU KNOW?

DID YOU KNOW THAT CANONS SPECIAL LOW TEMPERATURE MELTING TONER SAVES ENERGY?

By having a lower melting point the fixing unit does not need to provide so high temperatures and therefore the whole Laser printer is consuming less power.

Canon CanoScan LiDE 400

SKU: 2996C010AA

RRP: 119,00€

Benefits

- Enjoy high resolution scans up to **4800 x 4800 dpi** with CIS sensor
- Capture photos with exceptional detail and accurate colours thanks to 48-bit internal colour depth, **USB Type-C**
- Save time with 300 dpi A4 colour scans delivered in just 10 seconds
- Experience the freedom to scan directly to cloud services using your PC
- Free up valuable desk space thanks to a neat upright stand
- Operate effortlessly thanks to 5 one-touch buttons
- Create multipage PDF documents instantly from the scanner using PDF buttons
- Enhance text, graphics and images separately in scanned documents using Auto Document and Photo Fix technology
- Power and connect using a single USB cable to minimise desk clutter

Professional printing quality

Use stable image enhancements to create sharp, crisp lines and new magenta ink for vivid red colour. As a result, you'll produce vivid and accurate CAD drawings, posters and educational materials.

Enhanced productivity

Produce A1 CAD prints in just 17 seconds, or A1 posters in 22 seconds. Save time trimming excess margins with borderless prints of any sizes and easily meet higher print demand with larger ink tanks, quick processing time and a fast return from sleep mode.
