Tremendous volume, low-cost printing

Keep on printing while keeping costs down thanks to huge yields of up to 12,000 pages (26% more in Economy mode[3]) from 2 black ink bottles, or 7,700 pages with a single set of colour bottles.[1]

High quality at speed

Count on quality at speed (9.1 ipm in black / 5 ipm in colour[2]), with pigment black ink ensuring pin-sharp text and dye colour inks delivering vivid colour photos. Experiment with diverse media and even print banners up to 1.2 metres in length.

Smart connectivity

Print, scan, copy and connect to the cloud via the Canon PRINT app and PIXMA Cloud Link, and print directly from smart devices via AirPrint (iOS) and Mopria (Android).

DID YOU KNOW?

DID YOU KNOW THAT CANONS SPECIAL LOW TEMPERATURE MELTING TONER SAVES ENERGY?

By having a lower melting point the fixing unit does not need to provide so high temperatures and therefore the whole Laser printer is consuming less power.
