HP Page Wide Printers

Retail File 14 /09 2022.

Valid Until 30/09/2022 or Until Stock Last.

Ultimate value for today's enterprise – HP PageWide Technology delivers the fastest speeds and deepest security for the lowest total cost of ownership in its class. Count on productivity and unparalleled multi-level security. This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked.

HP PageWide: Not Laser. Not inkjet. It's the best of both. A new alternative for business printing. HP PageWide is designed with fewer moving parts. The stationary, page-width print bar enables unmatched speeds, improved reliability, and fewer replacement parts, all with professional print quality at the lowest total cost of operation in its class. **Low cost, affordable printing** Print what you need affordably using low cost Original HP ink cartridges. **Fast FPOT from ready – as fast as 7.1 seconds** This printer wakes up fast and prints your first page as quickly as 7.1 seconds. **HP Sure Start, intrusion detection, and whitelisting** Rest assured that your fleet is covered, with award-winning HP Imaging and Printing Security Center. **Fleet management, networking, and security features** Install, configure, troubleshoot, and upgrade your HP LaserJet printers on your schedule, thanks to HP's comprehensive suite of administrative tools.

Professional colour, breakthrough total cost
Results you expect and lasting value – breakthrough total cost of ownership, the lowest in its class.
Print professional-quality colour on a variety of papers – perfect for office use.
Print up to 2.5x more pages and replace less often than standard cartridges with high-yield options.

Enterprise productivity at unmatched speeds
Wait less and do more with best-in-class speeds – as fast as 75 ppm in colour and black-and-white.
Grab the documents you need and go. This device prints first pages in as fast as 7.1 seconds..

Unparalleled fleet security and management
Embedded features detect security threats and heal your printer, protecting it from boot up to shutdown. Help protect data on the printer and in transit, using more than 100 embedded security features. Help build business efficiency with HP Web Jetadmin, plus deploy over HP and 175 third-party solutions.

Proven technology. Outstanding energy efficiency.
Minimise downtime with HP PageWide Technology that delivers reliable performance businesses demand. Print up to 16,000 colour pages and up to 20,000 black-and-white pages – and go longer between replacements.
Conserve with HP PageWide Technology – designed to use less energy than any printer in its class.
